Federal Energy Regulatory Commission
888 First Street, N.E., Rm 1A
Washington, DC 20426

CP06-54-000

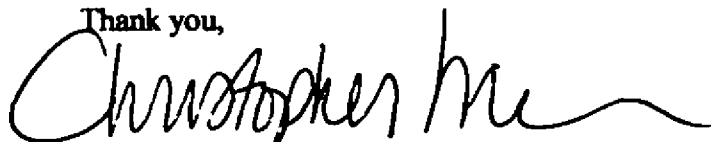

Dear Ms Salas:

I am writing to ask that you help stop the building of the Liquefied Natural Gas terminal, Broadwater, in the middle of the Long Island Sound.

Broadwater is too costly, risky and the constant armed private security disrupts the peaceful, tranquil waters of the Sound. This facility will limit public access and will set a dangerous precedent of industrializing the Sound.

I would appreciate hearing your position on this matter.

Thank you,

Christopher Miro
53 Morris Avenue
Malverne, NY 11565
